## EVENT PRESENTATION

This gathering is dedicated to all branches of the shellfish farming industry.

*In broad terms*

### The highlight of the shellfish farming and aquaculture industries' calendar

This gathering will bring together the entire profession from suppliers and services providers to equipment manufacturers. This will be an opportunity for **business, expert advice, innovation** and **communication**. The diversity of the exhibitors, the **professional participants** and the **business prospects** make this gathering **the only global event held by the sector in France**.

«This is an important gathering for the players in the industry showcasing the innovation, expertise and technologies of the shellfish farming industry.»

Philippe Legal - President of the National Shellfish Farming Committee

### OUR SPECIAL GUESTS INCLUDE

- Portugal, our guest of honour
- Foreign delegations
- Regional Shellfish Committees
- The National Shellfish Farming Committee
